### **ADDITIONAL NOTES**

The **GENERAL NOTES** that have already been issued also apply to these 2 competitions apart from the **CATERING** section (see below).

**\*\*PLEASE ENSURE ALL YOUR TEAM MEMBERS HAVE READ BOTH SETS\*\***

---

We were sorry to hear of the problems the BSA club have with their venue which has meant we have not been able to hold these two competitions at the Swinton Leisure Centre. However we are delighted to be able to return to the Y&D IBC after an 8 year absence. Many of you will remember playing here in the Inter-league Cup (now the Little Cup) between 1998 and 2010 and we hope those that have not played here before will feel happy with the move from Swinton. If you do have any concerns, please raise them with Robert so they can be discussed at the next committee meeting as we hope to return here in 2019.

Please remember we are guests in a private club and do not have exclusive use of the facilities. Respect the rink surface and take care. We do not want to "blot our copybook".

**DRINKS:** Tea/coffee/biscuits will be available upon arrival free of charge but thereafter will be chargeable. The bar will be open towards lunchtime. Although drinks may be taken into the arena they must not be taken on to the playing surface under any circumstances.

**FOOD:** We have been given permission to bring our own food in to the hall (which is not usually allowed) so please make sure you dispose of wrappings etc in the bins provided and not on the floor! However the "Jack High" restaurant will be fully operational with a selection of meals and snacks including meat pies, scampi, salads and sandwiches etc. If you have time at the beginning of the day bacon sarnies etc can be provided. We hope that many of you will make use of these facilities.

To ensure the minimum of delays please order what you would like early in the day with an approximate time you will be eating. You will be able to judge this once you see what sessions you will be playing in.
